

The Action is in the Interaction

A Workshop for Parents

This day is designed for parents of children with behaviours that place them on the autistic spectrum, and/ or whom have challenges in communicating and relating, attending and learning.

Facilitated by: Mari Caulfield Speech & Language Therapist, Galway, Ireland & Kathy Walmsley, Occupational Therapist, Perth, WA.

This day will explore:

- Supporting your child to calm & share attention with others
- Building Communication
- Expressing Ideas and Feelings
- Thinking and Problem solving
- Helping to make friends with Others
- Dealing with daily challenges

The workshop will explore practical ways to support your child
Video clips of parents and children using play and developmentally based approaches with their children will be an integral part of this workshop.
